

Pawan Sharma Strongly Condemns Disrespect to Hon'ble Prime Minister Narendra Modi at Congress Rally in New Delhi

GY CORRESPONDENT

JAMMU, DEC 15

BJP Jammu & Kashmir State Secretary Pawan Sharma today strongly condemned the disgraceful and irresponsible remarks made against Hon'ble Prime Minister Shri Narendra Modi during a Congress rally in New Delhi, terming the incident as a direct insult to democracy, the Constitution of India, and the collective mandate of 140 crore Indians.

In a sharp statement, Sharma said that the Prime Minister of India holds a constitutional office earned through the overwhelming democratic will of the people, and any attempt to demean or ridicule that office reflects not only political immaturity but also Congress's deep-rooted disrespect for democratic institutions.

"Such language and conduct are

not political criticism; they are an assault on constitutional dignity. The Congress party, under the leadership of Rahul Gandhi and Mallikarjun Kharge, has once again exposed its frustration and intolerance by lowering the level of public discourse. Disrespecting the Prime Minister is equivalent to

disrespecting the people of India who have repeatedly placed their faith in Modi's leadership," Sharma asserted. He further stated that under the visionary leadership of Prime Minister Narendra Modi, India has witnessed transformative governance, decisive leadership, and unprecedented global respect. Unable to counter this record of development, national security, and inclusive growth, the Congress leadership—led by Rahul Gandhi and Mallikarjun Kharge—has resorted to cheap theatrics, personal attacks, and verbal abuse.

Pawan Sharma also reminded that democracy thrives on debate, dialogue, and dissent—but strictly within the framework of constitutional values and mutual respect. "Congress's repeated failure to uphold these values proves that

its top leadership has learned nothing from the people's repeated rejection of its dynastic, divisive, and negative politics," he said.

Calling upon the Congress high command to act responsibly, Sharma demanded an immediate and unconditional apology from Rahul Gandhi, Mallikarjun Kharge, and the Congress leadership to the nation. "The country expects accountability, not arrogance. The Congress party must introspect and stop poisoning democratic discourse with hatred and disrespect," he added.

Sharma reaffirmed that the Bharatiya Janata Party will continue to uphold the sanctity of constitutional offices and stand firm against any forces that attempt to undermine India's democratic ethos.

MLA Ch. Vikram Randhawa Launches Pipeline Work to End Water Scarcity in Sector-4, Channi Himmat

GY CORRESPONDENT

JAMMU, DEC 15

MLA Bahu Ch. Vikram Randhawa today formally inaugurated the much-awaited pipeline work in Sector-4, Channi Himmat, aimed at strengthening the drinking water supply network and providing permanent relief to the residents of the area. The initiative reflects the continued focus on improving basic civic amenities in the Bahu Constituency. The work was started in the presence of District General Secretary Kulveer Charak, local dignitaries, senior party workers, and

residents of Channi Himmat. Officials from the Public Health Engineering (PHE) Department, including AEE Vishal Pandita and his team, were also present and briefed the gathering about the technical aspects, scope, and timely completion of the project. Speaking on the occasion, MLA Ch. Vikram Randhawa stated that ensuring uninterrupted and adequate drinking water supply is a top priority. He emphasized that development works are being taken up in a planned, transparent, and time-bound manner, and

no area of the constituency will be left behind. He further directed the PHE officials to maintain quality standards so that the public does not face water-related issues in the future. Local residents welcomed the initiative and thanked the MLA for addressing their long-pending demand. They expressed confidence that the pipeline work will significantly improve the water supply situation and help overcome the chronic scarcity of drinking water in Sector-4, Channi Himmat.

Ehsaas Foundation in Collaboration with Arsh Institute Organises ASAT Scholarship Test

GY CORRESPONDENT

SRINAGAR, DEC 15

Ehsaas Foundation, in association with Arsh Institute, successfully conducted the ASAT Scholarship Test, which saw the participation of over 100 students hailing from different streams.

This initiative was taken to help brilliant, eligible, and talented students to support their education by allowing them to pursue it through scholarships. Programme Coordinator Meer Ahsan informed that the ASAT Scholarship Test was conducted to identify meritorious students, especially from economically weaker sections. Chairman, Ehsaas Foundation, Chaudhary Ahmad Malik, in his message, said the initiative is committed to BPL students, orphans, and other underprivileged learners so that financial constraints do not act as a deterrent in their schooling. Students who sat for the test commended the initiative taken by Ehsaas Foundation and Arsh Institute, terming it a very thoughtful and well-timed move. They said that such scholarship programmes not only encourage students but also instill hope among people who desire a brighter future through education.

The organisers said, "similar initiatives in coming times too will strengthen the students' position and ensure continuity of education among the less privileged section of society."

Republican Party of India (Athawale) Organizes Meeting at Batnour Tral

GY CORRESPONDENT

TRAL, DEC 15

The Republican Party of India (Athawale) held a meeting at Batnour Tral on December 14, 2025, where prominent leaders discussed various issues affecting the local community. The meeting was attended by Shri Shabir Ahmad Wani, State Vice President, Shri Mufti Taha Niyaz, State Youth President, Shri Adv. Owais Farooq, District Youth President, Anantnag, and Shri Sameer Ahmad Mir, Constituency President, Tral. The leaders raised concerns regarding the poor condition of highways and roads, human-wildlife conflict, non-payment of salaries to contract teachers, and lack of health facilities in remote areas. The meeting aimed to address these issues and work towards finding solutions to improve the lives of the people in the area. The party leaders assured the community of their support and commitment to fighting for their rights. The meeting concluded with a call to action, urging the authorities to take immediate action to address the pressing issues affecting the people of Batnour Tral and surrounding areas.

GGM Science College Takes Energy Conservation Pledge

GY CORRESPONDENT

JAMMU, DEC 15

In observance of National Energy Conservation Day GGM Science College, Jammu, organized a pledge ceremony to promote awareness about judicious use of energy and sustainable practices. The event was held in compliance with the directives issued by the Directorate of Colleges, Higher Education Department, UT of Jammu & Kashmir and was conducted under the overall guidance of Prof. (Dr.) Ramesh Kumar Gupta, Principal, GGM Science College, who has consistently emphasized the role of educational institutions as well as individuals in shaping

environmentally responsible citizens. The pledge ceremony highlighted the importance of collective action, especially by students and youth, in addressing the growing challenges of energy demand and environmental sustainability.

The Energy Conservation Pledge was solemnly read out by Prof. P. S. Thakur, convener of the college committee for new and renewable energy resources. Faculty members, staff and students actively participated in the pledge, reaffirming their commitment to minimizing energy wastage, adopting

energy-efficient habits, and spreading awareness within society.

In his brief message, Principal Prof. (Dr.) Ramesh Kumar Gupta stated that energy conservation is not merely a one-day observance but a continuous responsibility. He urged students and faculty to translate the pledge into daily practice by adopting simple measures such as reducing electricity wastage, using renewable resources wherever possible, and inspiring others to follow sustainable lifestyles. He further appreciated the efforts of college committee for renewable energy for actively supporting national initiatives related to energy conservation and environmental protection.

The event concluded with a call to action for learners to act as ambassadors of energy conservation, reinforcing the institution's commitment to sustainable development and responsible citizenship.

BJP Mahila Morcha calls for stronger economic vision: Neha Mahajan

GY CORRESPONDENT

JAMMU, DEC 15

Under the AatmaNirbhar Bharat campaign, the BJP Mahila Morcha, Jammu North, organized a programme at Shyamachak village in Marh Mandal. Adv. Neha Mahajan, BJP Mahila Morcha President, accompanied by general secretaries Er. Urvasi Gupta and Poonam Gupta, Vice president Santosh Sharma and secretary Suman Raina chiefly addressed the programme. Anjali Sharma Chauhan, Mahila Morcha District President, Jammu North, presided over the event held at the residence of Mandal Sarpanch Jyoti. Adv. Neha Mahajan discussed the AatmaNirbhar Bharat initiative's objectives,

focusing on self-employment and economic empowerment for women. The aim is to make the country and its citizens independent and self-reliant in all senses. Five pillars of Aatma Nirbhar Bharat - Economy, Infrastructure, System, Vibrant Demography and Demand have been outlined. Neha Mahajan focused towards cutting down import dependence by focusing on substitution while improving safety compliance and quality goods to gain global market share. The Self-Reliance signifies neither any exclusionary or isolationist strategies but involves creation of a helping hand to the whole world. The Mission focuses on the importance

of promoting "local" products. She said that the idea of AatmaNirbhar Bharat focuses on various sectors, including agriculture, manufacturing, technology, and infrastructure. It encourages the development of indigenous industries, promotes entrepreneurship, and fosters innovation and research. The goal is to create a robust and self-sustaining economy that can withstand global challenges and become a global leader in various sectors. One of the key aspects of AatmaNirbhar Bharat is promoting local production and consumption.

Army displays reconstructed Turkish Yiiha drone deployed by Pakistan during Op Sindoor

NEW DELHI, DEC 15

The Indian Army on Monday displayed a reconstructed Turkish armed drone Yiiha, which was shot down by India during Operation Sindoor on May 10. The Kamikaze class of the multi-role drone was displayed at an event hosted by Army Chief Gen Upendra Divedi to commemorate Vijay Diwas. Pakistan used a large number of Yiiha single-use attack

unmanned combat aerial vehicles (UCAVs) to target various Indian military and civilian installations during the May 7 to 10 hostilities between the two countries. However, almost all the drones were shot down by the Indian military. The Yiiha drone that was displayed at the event was flying at an altitude of 2000 metres on May 10. It was launched from Lahore International

Airport and the intended target was Jalandhar according to military officials. The drone, carrying a payload of 10 kg explosives, was brought down by the Army Air Defence (AAD). The remotely-operated drone was intended to blow up on impact. The UCAV, with a wingspan of two metres, is powered by a two-stroke engine with a horse-power of 170 cc. The Indian military

destroyed a large number of Kamikaze drones using its counter-drone apparatus. The Kamikaze class of drones are also known as "suicide drones" as they are weapon systems that can hover or circle a target area, searching for a suitable target before attacking. In response to the Pahalgam terror attack, India launched Operation Sindoor on May 7, carrying out air strikes on

terrorist infrastructure in territories controlled by Pakistan. It was followed by four days of intense clashes that ended with an understanding on stopping the military actions on May 10 evening. India commemorated Vijay Diwas on December 16 in honour of the soldiers who laid down their lives in the 1971 war with Pakistan that led to the creation of Bangladesh.
